

# Simplex Certified Installer Program

## Register Today to become a Simplex Certified Installer and Receive \$3500 in Product

Increase your knowledge and skills by enrolling in the Simplex Certified Installer Program today! Simplex Mechanical Push Button Locks set the standard in stand-alone, keyless entry nearly 60 years ago.

Today, generations of installers are asked to solve today's problems in the most simple, efficient way possible. With an increasing demand for simple, effective stand-alone locking solutions we are expanding our Simplex Certified Installer Program to offer you more benefits that ever before to successfully serve your customers or protect your facility. Don't miss out on this great opportunity to enhance your skills and for a limited time only get additional product too!
